

Here's what to do:

- 1 Fill in the date of your FACTOR FRIEND's infusion
- 2 Color in or circle one of the FACTOR FRIEND smiley faces to rate if the infusion was great, good, or OK.
- 3 Write notes about why the infusion was great, good, or OK, how it made you and your FACTOR FRIEND feel, and what you learned.
- 4 If you complete all of these infusion logs, you can visit MyFACTORFRIEND.com to download and print more.
